FLASHCARDS –

To view all TERMS and Definitions use arrows in the middle of page

select the 4 or 5 different options (expand bigger, shuffle order of cards, turn sound on)

Scroll down to see and listen through audio most terms and definitions

WOW!!! it will read aloud what I have typed in for you.

2) **SOUND OPTION** - Just click the little square sound button next to the term or definition.

3) **BUTTONS and ICONS** look at different BUTTON OPTIONS to help you study

click buttons **CARDS/ LEARN / TEST / (NOTE SPELLER IS NOT GOOD ONE TO DO)**

4) **TEST** works this way

Test example - (see below to the right)

First- check the boxes for matching option and multiple choice option only

Second – Change number of Questions to 40

5) and then click **REGENERATE TEST** (this means to make new test) without Written and True/False)

Take the test, print the test, Quizlet will tell you if you got it correct or not at the end when you push the button **CHECK TEST**, hit the regenerate test button after you complete and will create a new test with different questions.

GAMES

6) **Scatter** is really good for learning ... where they drag and drop onto term or definition. Its Timed!

Test is really good for final review before tests with matching , multiple choices, etc.

There are important icons and buttons to learn and use.

7) There is a button to expand to full screen, a button for shuffling cards, and a button for continuous reading of the cards. Don't be afraid of experimenting.

There are many fun ways to learn and experience US History.
